

# ACQUISITIONS & DIVESTITURES

*Millions of dollars of assets will change hands in 2021.* These transactions will be highly time sensitive. A qualified team of land experts will be required to complete many of these deals. Scott Land has the team and experience to get the job done on time.

## What sets us apart?

Our personnel have specialized expertise relevant to all provincial processes, British Columbia's Oil & Gas Commission, National Energy Board, Crown/freehold lands, etc.

- We have more than 20 years of corporate experience with acquisition and divestiture projects of all sizes and complexities.
- We have the largest team of land professionals in Western Canada, with our head-office in Calgary and strategically located field offices in Edmonton, Fort St. John, Regina, Lloydminster, and Grande Prairie.
- Our rates are competitive.
- We handle all the hassle of managing the process for you.

## Team

Scott Land has an assembled team of highly skilled and experienced surface and mineral land A&D professionals. This team will be supported by our long-term, full-time subject matter experts in our field offices situated in Alberta, BC and Saskatchewan. Additional resources in our Calgary head-office are always available with the capacity to handle projects of almost any size.

Our team has the ability and experience to identify and remedy deficiencies in order to maximize value.

Our network includes additional resources that we can include seamlessly should the parameters or scope of the project change.
