SCOTT LAND FLIES TO ALL SALES – NO CHARGE FOR TRAVEL COSTS

Scott Land takes great care and has proven systems to handle your landsale bids however, there is risk in delivering bids to a landsale over which we have little or no control. Our clients must accept these risks when using Scott Land to carry their bids. Such risks could be travel delays on out-of-town sales due to airline schedule changes, weather conditions, traffic accidents, technical difficulties and a whole range of other possibilities. Scott Land will make every reasonable effort to deliver the bids and if an unforeseeable event arises we will advise the client at the earliest opportunity.
