

ABANDONMENT AND RECLAMATION LAND SUPPORT SERVICES

Securing Land Access For Your Reclamation Projects

Scott Land & Lease has proven to be the land company of choice for abandonment and reclamation support services. We have decades of experience and a proven reputation of being the best provider of a broad range of land services to meet your project needs.

Experience You Can Count On

Our team of experienced professionals thrives on exceeding customer expectations and being the best land services provider in Canada.

- Network of offices across Canada
- Strong local knowledge and relationships
- Over 30 years in business with a reputation for excellence
- Competitive rates
- Value added strategic planning
- Substantial portfolio of extensive projects

Our Advantages

Scott Land & Lease Ltd. (SLL) has successfully worked with OWA in Alberta, The Orphan Fund Procurement Program in Saskatchewan, and Industry across Canada supporting their Reclamation and Abandonment efforts for over three decades. We are experts in obtaining the required Third Party and Crossing agreements, negotiating access requirements and communicating with Landowners. SLL understands that each dollar spent on Land costs uses up precious abandonment and reclamation budget. This understanding has allowed us to develop streamlined and effective processes to gain you the access you need to get the site reclaimed. A few of our competitive advantages which will add value to your project are:

- Project Area Familiarity - with offices across Canada
- Relationships with most Producers enabling us to turn around Third Party requests rapidly
- An ability to communicate projects goals with untrusting/fatigued landowners
- A single point of contact makes your job easier
- Only senior staff will work on your projects
- Industry Reputation
- Proven Track Record
