

SURFACE EXPERTS YOU CAN TRUST

Our Edmonton Office Is Our Gateway To Northern Projects

The Scott Land & Lease Edmonton office is the land industry's largest land office outside of Calgary. We have four separate dedicated departments in our Edmonton office which focus on Freehold land, Crown Applications, Oil Sands and Indigenous Relations. This team works closely with our other Alberta offices in Grande Prairie, Lloydminster and Calgary.

What Sets Us Apart In This Region

- Our renowned Crown Surface Team in Edmonton is the most experienced and talented in the industry
- Our Crown and Oil Sands Team have several former ESRD employees on staff
- Solid relationships with stakeholders including Trappers, Forestry and Indigenous communities
- We have worked on a wide variety of projects for clients in several different industries
- Landowners and their representatives trust the team at Scott Land, which provides clients an advantage
- We have handled some of the industry's largest most complex projects
- Our team are problem-solvers for any challenging land matter
- Competitive rates
- Impeccable safety record
