- Our Management team alone in Regina and Lloydminster has over 75 years' experience
- Extensive database of Mineral and Surface information
- Competitive Rates
- No other land company is as large or has the depth of experience
- Impeccable safety record

Testimonials

"Scott Land is an invaluable asset to any project they are working on. Their customer service is great. Celeste and her team respond very quickly and go above and beyond to help."

— Surface Landman, Crescent Point Energy

"Thanks for all your help this year. I always feel better when I know that a file was picked up by Scott Land!"

— Land Administrator, Junior Oil and Gas Company

"Our team in the province is stellar and many clients rely on their relationships and expertise to advance their projects."

— Gregg Scott, President, Scott Land & Lease
