

INTEGRITY DIGS

Securing Land Access For Your Integrity Dig Work

Scott Land & Lease is proud to employ over 130 dedicated professionals accross Canada, including our highly experienced Surface Land Department. With a proven track record spanning multiple provinces and regulatory frameworks, our team is uniquely equipped to support your integrity programs with efficiency and precision.

Experience You Can Count On

Our team of experienced professionals thrives on exceeding customer expectations and being the best land services provider in Canada.

- Network of offices across Canada
- Strong local knowledge and relationships
- Over 30 years in business with a reputation for excellence
- Competitive Rates
- Value added strategic planning
- Substantial portfolio of extensive projects

Why Choose Scott Land & Lease?

Nationwide Expertise: Our seasoned land agents operate seamlessly across diverse provincial regulations, ensuring compliance and consistency no matter where your project is located.

Cost Efficiency: By leveraging our extensive experience, we minimize delays, reduce rework, and help you avoid costly missteps - saving you time and resources.

First-Time Accuracy: We prioritize getting the job done right from the start, delivering reliable results you can trust. Whether you're managing a single integrity dig or an annual Operation Program, SLL's Surface Land Department is your partner in navigating complex land and regulatory challenges. Let us help you achieve your goals with confidence and efficiency.

A Few Of Our Competitive Advantages Which Will Add Value To Your Project:

- Project Area Familiarity - we bring local knowledge to every project.
- Veteran Land Agents - Able to leverage years of experience and use their understanding of local patterns of dealings to secure agreements effectively.
- Effective Landowner Communication - Foster trust, cooperation and clearly convey the project goals.
- Single Point of Contact - Experienced Project Managers provide you with a dedicated liaison, streamlining communication and ensuring accountability.
- Cutting Edge Technology - State of the art GIS that delivers real time reporting, keeping you informed and in control at every stage.
- Trusted Reputation - Known industry wide for fair, transparent negotiations and exceptional service.
- Proven Success - Our track record speaks for itself, with multiple successful integrity programs acquired across diverse regulatory environments.
